Splash into summer feeling great on the inside and outside!

Helping you feel good in your skin

We treat a range of skin conditions such as eczema, psoriasis, dermatitis, acne, and rashes/heat rash. We offer individualized treatment protocols to give you the best results. We work with you to support your gut health, stress, lymphatic system, diet and lifestyle advice and offer topical treatments made by our Naturopath Agata.

A client of the clinic, who suffers from eczema, 2 weeks after topical eczema treatment, has a reduction in redness and itchiness.
